## *Bandage Winding & Cutting Machine*

Cutting at pre-set length accurate and clean.

After cutting , the conveyor can connected with LOYAL SS-ZB Pillow Packing Machine to make automatic feeding for pillow packing process.

PLC control and step motor driving ensure the accurate of production.  
Touch screen make the operating easier and faster.

### Technical Parameter

Production speed	Winding & Wrapping: 14-20meters / min Cutting: 80-120 cut / min
Working width	125cm (accept customization)
Bandage winding diameter range	2.5-6cm
