Eye Pad Punching Machine

Flat plate type of punching cutter is easier to change different shape of cutting with lower production cost.

Double output tracks with touch screen operation mold, user can easily access the production data and accurate adjust the parameter.

Technical Parameter

Punching shape & size	Oval 6x8cm (Accept customized)
Capacity	200 pieces/min
Material	Gauze Cotton Non-woven
Power	3.5KW
Overall dimensions	5600x900x2000(mm)
